

STORAGE

Site Storage solutions from Work Caravans are designed and engineered to meet any Site Storage requirement you may have. Our Site Storage range is constructed from Bluescope Steel Colorbond[™] 50mm insulated panel that has a double steel sheeting providing superior strength and durability.

Combine this with a fully welded three-hinge steel door frame and steel sheeted entry door to maximise your security and peace of mind.

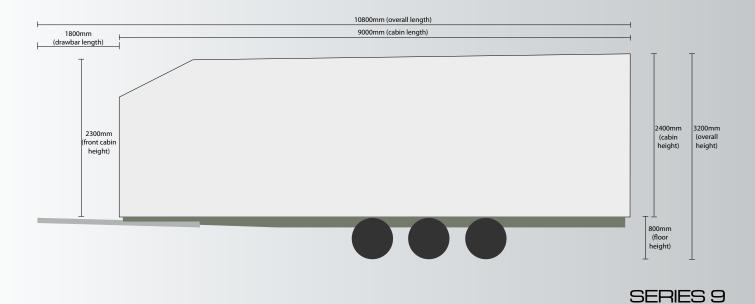

Our Site Storage Caravans are built to the highest quality and standards using heavy duty construction to cope with the most challenging and remote work site environments.

Work Caravans Australia's construction provides a cost-effective solution for your Site Storage requirements in an easily transportable solution. You can select from a range of sizes to suit your specific needs.

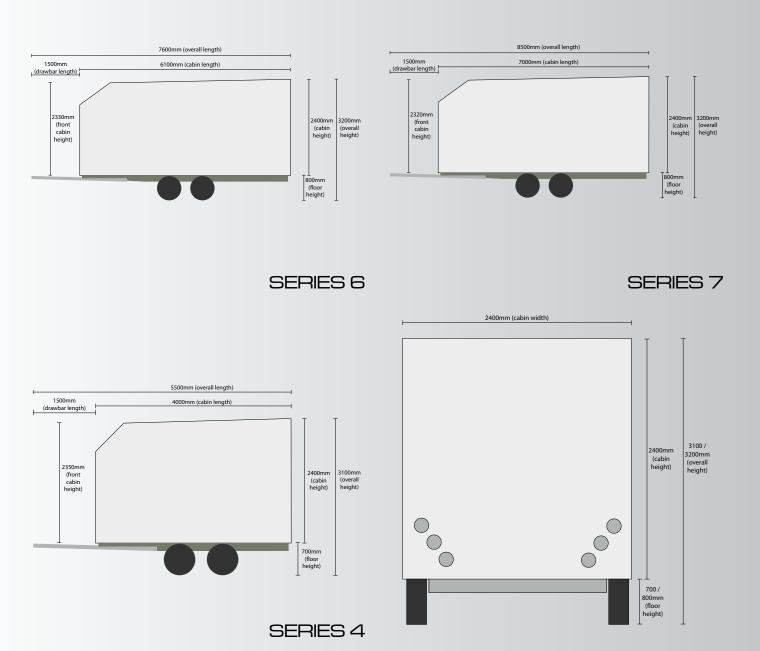

Our Site Storage Caravans can be utilised in diverse situations:

- * Remote Education
- * School Reconstructions
- * Work Construction Sites
- * Remote Building Sites
- * Mobile Camps

Contact the Work Caravans sales team to assist you today.
